Dear Arup Recruitment Team,

I am writing to express my strong interest in the internship opportunity at Arup, as outlined in your recent job posting. Currently I am pursuing a bachelor's degree at Tribhuvan University, Institute of Engineering, I am enthusiastic about the prospect of contributing to your team and gaining valuable experience in geospatial technologies.

The job description aligns perfectly with my educational background and skill set, particularly in PostGIS, HTML5, and GitHub. I am excited about the opportunity to work on GIS databases, provide data management expertise, and support Planning and Infrastructure projects. Additionally, the chance to collaborate with your accomplished team and contribute to your notable projects is both motivating and appealing.

I possess strong organizational skills, excel in independent and collaborative work environments, and maintain a proactive and eager-to-learn attitude. With a GPA above 3.0 and experience in web-based GIS and 3D visualization, I am well-prepared to meet the challenges of this internship.

Moreover, Arup's commitment to sustainable development and socially impactful work resonates with my personal values and career aspirations. I am eager to be part of a dynamic collective that encourages diversity of thought and promotes individuality while delivering exceptional services to clients.

I believe that an internship at Arup will be a valuable steppingstone in my career journey, and I am excited about the opportunity to contribute to your mission. I am eligible to work in the US and am prepared to take on new challenges to further both my personal and professional growth.

Enclosed is my resume, which provides a comprehensive overview of my qualifications. I would welcome the opportunity to discuss how my skills and passion align with your internship role in more detail. Please feel free to contact <mailto:hemrajpandeyd@gmail.com> or to arrange an interview at your convenience. Thank you for considering my application. I look forward to the possibility of working with Arup and contributing to a future with purpose.

Sincerely,

Hem Raj Pandey
